The Minister has stated that a full return of pupils can be expected as soon as practically possible after the Easter Break.

As ever, the above information is subject to change reflecting Executive announcements.

I appreciate that this is a very difficult time for everyone. We will do our utmost to support our pupils in school and those at home.

I urge you to only use Keyworker and Vulnerable Children Support when you have no viable alternative, as communicated by the Minister, to help keep numbers in attendance as low as possible until we are able to facilitate a full return.

All of us here at DPS, and no doubt you at home, truly hope not to see another lockdown. We want to welcome our pupils back to school as soon as we can and hopefully for the full remainder of the academic year.

This has been a 'long slog' for us all. We now need to see it through to the end so we can get to the brighter times ahead.

Kind regards,

Mrs G Hay

(Principal)
