Our top spelling shed speller (as of 24.10.19) is Lucas with Mr Potts' class being at the top of the leader board!

Community Award winner is Megan Curry for all the wonderful help she has been giving her niece, Miley. She also has been working so hard on her AQE skills; her big sister Sophie is very proud of her!

## Exceptional Closures

We very much hope that we will not need to close our school on any days over and above those on the holiday sheet, however in exceptional circumstances, for example, heavy snowfall or electricity failure it may be necessary to close for a full day or close early. If this is the case we will notify parents via text message, our school App and our school Facebook page. Any decision to close the school is not made lightly and is made in conjunction with our Board of Governors and always with Health and Safety of our pupils, families and staff at the centre.

## Comments and Complaints

Parents are courteously reminded that we have a comments and complaints procedure in school which is available on our website. It ensures that issues are dealt with fairly, considerately, timely and that our staff are treated

with respect and courtesy. We encourage anyone with a concern to speak to us as soon as possible. If concerns are dealt with at an early stage, then they are more likely to be resolved and there is no unnecessary dissatisfaction. Many issues can be addressed simply by talking to the relevant staff directly, who will be happy to help.

## Smarties

This month each child in our school is going to be given a box of smarties. When they have eaten the smarties they fill the tube with 10p and 20p coins to raise funds. Once their tube is filled they return it to school and we will give them another to fill. This will run from November to the Easter holidays. We are hoping to raise enough funds to top up the funds raised by Brides Through the Years last year to buy laptops for the senior classroom and to go towards new maths books for P4—P7 pupils. We would love a mud kitchen for outdoor play too!

## Prefects

During the next few weeks our P7 children will have the opportunity to apply for the post of prefect. Children interest in applying for the role need to download the application form from the school website, complete it (handwritten or typed) and return it to Mrs Hay by Friday 15th November. These application forms will be discussed by the teachers and prefects will be an-

nounced in assembly at the end of the month.

### **Dinner Menu**

Our new dinner menu begins after the Halloween break. It can be viewed / downloaded from our school website or via the app.

### **Lunch Time**

Children have approximately 25 minutes to eat at lunch time. P1 and P2 go outside to play at approximately 12.30pm. P3—P7 children rotate in one class at a time and go out to play when they have finished eating. Children who have not finished eating by approximately 12.40pm (usually children in the senior classes) must remain in the dinner hall until

12.45pm to eat their lunch / dinner and then all go out to the playground together.

After these times any remaining lunch is put back in to lunch boxes are dinner trays are tidied away for outside play. Children are encouraged to eat everything within this time.
